HISTORY

It all began in September, 2018 with Pendulum's first performance at the Lamp Theatre in Irwin, PA. Now the band is travelling the country, performing the incredible music of Clearwater Revival (CCR), and being recognized as the ultimate tribute to one of rock's most iconic bands.

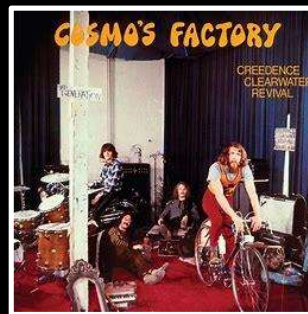

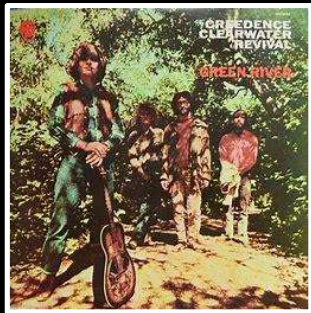

Pendulum is comprised of seasoned musicians with many years of experience in the industry across a wide range of musical genres. From precise lead vocals and melodic harmonies, to the hard-driving guitars and drums, Pendulum channels the sound of one of the greatest rock bands of the sixties and seventies.

The show is presented in front of a spectacular video backdrop that pays homage to the era of the sixties and salutes our Vietnam veterans. Come experience the timeless music of CCR and an evening you will not soon forget!

MORE ON CCR

As the tumultuous '60s crashed into the '70s, few American bands could match the fevered output, unified vision, and consistent hit-making ability of Creedence Clearwater Revival. Despite hailing from Northern California, bandleader John Fogerty rooted his imagination in the Deep South, fusing vivid Southern imagery with a distinctive brand of rock & roll that combined swamp pop, blues, R&B, and country. The group, although only active for 4 years, has sold more than 30 million albums and singles in the United States alone, and has charted in multiple countries throughout the world.

While CCR managed 20 Charting hits, including nine Top 10 hits, CCR holds the record for the most singles (five) to reach number two on the Billboard Hot 100 without ever scoring a number one single; as well as the most singles to reach the top 10 (nine) without ever reaching number one.

PENDULUM PROUDLY HONORS VIETNAM VETERANS

Since their origination in 2018, the band Pendulum has been paying tribute to CCR as well as our Vietnam veterans. Whether it is the music of CCR or the display of Vietnam era videos, our veterans hold a special place in the show. Described by many as our forgotten heroes, the Vietnam veterans and their honorable service is highlighted at every Pendulum performance.
